

# Shoe Care Instructions

Our shoes are crafted from premium materials, including Lycra, suede, leather, knitted or mesh fabric. Proper care of the shoes will ensure their longevity and keep them looking their best.

## 1. Lycra, Knitted, and Mesh Fabric

- **Cleaning:** Use a soft cloth or brush with mild soap and water to clean the surface. Avoid soaking the material.
- **Drying:** Air dry naturally. Never use a dryer.
- **Storage:** Store in a cool, dry place away from direct sunlight to prevent fading, stretching, shape distortion or delamination.

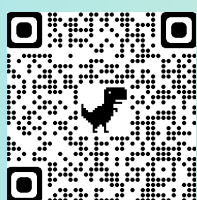

## 2. Suede Leather

- **Cleaning:** Use a soft brush to gently remove dirt or stains.
- **Water Protection:** Apply a suede protector spray to prevent from water damage. Avoid wearing suede shoes in wet weather.
- **Storage:** Store away from direct sunlight and moisture. Use shoe trees or stuffing to maintain shape.

## 3. Leather

- **Cleaning:** Wipe with a damp cloth to remove dust and dirt. For a deeper clean, use a leather cleaner and shoe wax.
- **Conditioning:** Apply a leather conditioner every few months to maintain suppleness and prevent cracking.
- **Water Protection:** Apply leather spray to prevent water and stains.
- **Storage:** Store in a dust bag, away from heat and light.

**IMPORTANT: DO NOT** use a washing machine or dryer for any of our shoes. Always hand clean and air dry.
